ARTICLE 8 अनुछेद-8**: GURANTEE & WARRANTEE** गारंटी एवं वारंटी: NA

ARTICLE 9 अनुछेद-9**: PRICE** मूल्य:

Price quoted will be firm and fixed for the entire contract period till completion of work awarded during valid contract period. GST is to be indicated separately and will be paid extra. No escalation whatsoever will be considered under any circumstances within the stipulated period of contract.

ARTICLE 10 अनुछेद-10**: ESCALATION** मूल्य वृद्धी: Not Applicable

ARTICLE 11 अनुछेद-11: **UNREASONABLE QUOTES अतर्कसंगत भाव**:

i. In case the price of L-1 Bidder is found to quote unreasonably low and/or express desires to withdraw from the tender then such bid will be cancelled and EMD will be forfeited and punitive action will be taken in line with the provision as per GRSE Vendor policy.

ii. However, in case the L1 Bidder agrees to take-up the job with such unreasonable low quote, lower by 30% or more than estimate and also if the difference in price between L1 & L2 is 30% or more, then the quoted price to be analyzed w.r.t. tender requirement and if the L1 bidder fails to justify their quoted rate, the obtained L1 quote will be rejected and the tender will be cancelled. During re-tendering, such bidder with low quote will not be allowed for participation.

iii. If justification is acceptable to GRSE, then Bidder have to submit a declaration to execute the job till satisfactory completion of entire contract. In case of breach of contract, GRSE shall reserve the right to impose Tender Holiday for a period of at least 01 year.

ARTICLE 12 अनुछेद-12**: OFFER VALIDITY** प्रस्ताव की वैध्यता:

Offer should be valid for 90 days from the date of opening of Part-I bid i.e. Techno-commercial bid. Under exceptional circumstances GRSE may request for extension of price validity, beyond 90 days against valid reason.

ARTICLE 13 अनुछेद-13**: CONDITIONAL OFFER** सशर्त प्रस्ताव:

Conditional offers w.r.t. SOTR will not be accepted. However, in case of bidder wish to deviate on any / some commercial terms & conditions, then separate deviation statement has to be uploaded along with Part-I bid. However, GRSE reserves the right to accept / reject the deviations / bid with deviations after giving reasonable opportunity to the Bidder.

ARTICLE 14 अनुछेद-14**: DETERMINATION OF L1** एल-1 का चयन:
L1 bidder / rates will be decided on **TOTALITY basis through REVERSE AUCTION**.

The bidder declared as L1 upon conclusion of the Reverse Auction shall submit an item wise price break up within 03 working days from the date of Reverse Auction.

ARTICLE 15 अनुछेद-15**: BOQ बी** ओ क्यु:

The quantity mentioned in BOQ (attached as Appendix-2) may vary according to actual requirement of job during the period of contract. BOQ with item quantities for construction as part of SOTR are given in the tender is tentative. The quantities set out in the BOQ of the tender shall be treated as estimated quantities of the work and shall not be deemed as actual or correct quantities of the work to be executed by the Contractor.

The Contractor shall execute required quantity for successful completion of project work at the same contractual rates and terms & conditions for any extent of variation in stipulated BOQ quantities.

All bidders shall quote against all the items of BOQs, otherwise, their bid would be considered as Incomplete Bid and shall be liable for rejection.

ARTICLE 16 अनुछेद-16**: OPENING OF BIDS** निविदा खुलना:

Part-I (techno-commercial) bid will be opened on the date declared in NIT. Part-II bid will be opened post techno-commercial evaluation by GRSE. Price bid of only those who qualify techno-commercially will be opened. Opening date of Price Bid will be intimated accordingly to all qualified bidders. Disqualified bidders, either during technical assessment or commercial discussion will also be intimated about their non-consideration for farther processing.

ARTICLE 17 अनुछेद-17**: MICRO & SMALL ENTERPRISES** सूख्छम एवं छोटे उद्योग:

Purchase preference may be given to eligible Micro and Small Enterprise Firms as per MSME Act provided, the tendered job is listed in their MSE document. (Detail at Clause 2 of STAC)

ARTICLE 23 अनुछेद-23**: POST AWARD APLLICABLE CLAUSES** ठेका जारी करने के पश्चात लागू उपधारा:

i. Security Deposit प्रतिभूति जमा -

a) An amount equivalent to 5% (percent) of the total contract value (inclusive of GST) as interest free refundable Security Deposit (SD) is to be submitted in the form of Pay Orders/D.Ds/Bank Guarantees (in case of BG- with validity of sixty days beyond contract period as per GRSE format) on any schedule bank other than Co-operative bank payable at Kolkata, duly crossed favoring "Garden Reach Shipbuilders & Engineers Limited", within 15 days from the date of released order. In case of non-submission of SD as per schedule, penal interest will be changed for delayed period of submission of SD beyond 15 days at the prevailing SBI cash credit rate on the amount of SD to be submitted.

(b) If SD is to be submitted in the form of BG then the same should be executed on the non-judicial stamp paper of Rs.100/- which should be obtained in the name of the executing Banker. Bank guarantee must explicitly mention GRSE SAP PO no. else B.G. will not be accepted. In case a single stamp paper of Rs.100/- is not available, stamp paper of multiple denomination is acceptable provided serial no. of such stamp paper are consecutive and are purchased on the same date. Bank Guarantee should be executed strictly as per GRSE's

format. Any alteration in the writing is required to be authenticated by the signatory executing the Bank Guarantee under official seal. Hard copy/Original B.G. must be submitted by supplier's bank in banker's sealed envelope directly to dealing officer of Commercial dept/ordering dept. BG in PDF is to be uploaded by vendor in OBPS portal.

NOTE: B.G. receipt date (date of receipt of hard copy B.G. by dealing officer of Commercial Dept/ordering dept) is to recorded in a register with B.G. no, PO no & banker name. Envelope is to be retained with the B.G. for sending to Finance.

(c) S.D. amount would be refunded / returned after successful execution of the job and certification of Material Reconciliation Statement by Internal Audit. Vendor is to apply through GRSE Ordering Dept. for release of their SD along with Job Completion Certificate which has to be certified by PL/Engineer-in-charge/authorized representative of concerned department. In the event of failure to execute the order satisfactorily or default by the contractor/ sub-contractor, the security deposit will be forfeited. Security Deposit shall be released on completion of Tenure subject to satisfactory execution of entrusted jobs through LOA / PO against the Rate Contract.

ii. Work Done Certificate (W.D.C.) कार्य पूर्ति प्रमाण-पत्र (डबल्यू.डी.सी) –

The contractor will put up Work done for certification to Engineer along with all inspection report / measurement sheet signed by Quality Assurance Authority/Engineer. Work done certificate is to include whether work has been completed as per delivery schedule or the delay in days/weeks occurred in completion of work. Any recovery towards usage of GRSE resources is also to be indicated.

W.D.C. certifying authority: AGM (YM/ nominated officer of YM dept. GRSE.

iii. Bill Submission बिल प्रस्तुति:

Bill to be raised through OBPS portal after WDC certification.

Note: - Transaction fee of Rs. 500.00 for first return & Rs. 1000.00 for subsequent return of bill with inappropriate documents will be charged.

iv. Payment Terms भुगतान की शर्तें:

(a) The contractor shall submit the RIA bills in triplicate along with all necessary/ required supporting documents, measurement sheet etc.

(b) For Dismantling work, 90% (Ninety percent) of the value of actual work done will be paid progressively against R/A bill on completion of job. The amount paid shall be evaluated on the basis of actual completed works done during the previous month, against the BOQ item and Unit Rates, on certification of quantum and quality of work by Engineer/Engineer's Representative.

(c) Balance 10% (Ten percent) bill amount will either be retained from each bill as Performance Guarantee and the same will be released after expiry of guarantee period duly certified by the bill approving authority or be paid against submission of performance Bank guarantee.

(d) For Salvage value, the Contractor shall make 100% payment to GRSE against salvage value before commencing dismantling. Separate sale order will be issued by Disposal Section/Store Dept. for submission of salvage value.

(e) Payment will be made on actual certification basis through ECS/NEFT mode.

Note: (i) All Vendors having turnover above Rs.5 Crore have to mandatorily submit E-Invoice.

(ii) All Vendors having turnover below Rs. 5 Crore are also to submit E- Invoice/digitally signed. invoice. (Vendors having turnover under Rs.5 Crore have option to created E-Invoice).

(iii) Invoice in hard copy is not desirable.

(iv) Gate in entry date will be treated as gate stamped date.

(v) Work Done/Completion certifying authority must be at least at the level of Dy. Manager.

v. Bill certifying authority: The bill is to be certified by AGM(YM)/ nominated officer of YM dept. GRSE.

vi. Liquidated Damages (निर्णीत हर्जाना)

The vendor will be liable to pay minimum Liquidated Damages @ ½ % per week or part thereof on the undelivered work subject to a maximum of 5 % of the value of the order for delayed part. The amount of L.D. may be adjusted or set-off against any sum payable to the Contractor under this or any other Contract with GRSE Ltd.

vii. Risk Purchase (जोखिम खरीद):

In case the progress of work is not satisfactory and the contractor fails to maintain the schedule, GRSE reserves the right to get the work done by alternative source at the risk and cost of sub-contractor.

GRSE shall be at liberty to purchase/obtain the service from the alternative source as it deems fit, to make good such default and or in the event of the contract being terminated, the balance of the remaining service to be delivered there under. Any excess over the job price / service rates, paid and incurred by GRSE, as the case may be, over the contract price shall be recoverable from the firm. To make good the recoverable excess amount paid, GRSE shall be at liberty to invoke Bank Guarantee and/or with other available dues of the firm.

viii. Time of completion shall always be considered as essence of the contract / PO (कार्य समापन अवधी निविदा का मूलतत्व) and cannot be extended for any reason whatsoever. However, in an unlikely situation beyond the control of the contractor, application for

extension of due time shall be submitted by the Contractor, 1 Month in advance with proper justification duly endorsed by Engineer In-charge / YM dept. of GRSE.

ix. FIRE & SAFETY PRECAUTIONS (अग्नि एवं संरक्षा सावधानियाँ):

The Vendor/Contractor shall abide by the Safety regulations/rules of the GRSE as detailed in Fire & Safety Guidelines (please refer www.grse.in). The Vendor/Contractor should take all safety precautions and provide adequate supervision & control for their workmen in order to carry out the job safely. In case of any violation of safety precaution and non-usage of safety equipment, Contractor shall be liable for a penalty which is detailed in Fire and Safety Guidelines (please refer www.grse.in). Penalty amount depends on the type and frequency of violation mentioned in the safety guideline and the same will be deducted from the defaulter's bill.

x. MANDATORY USE OF ISI MARKED PPE BY CONTRACTOR EMPLOYEES:

The Contractor shall ensure the use of ISI marked PPE by their engaged Employees. An indicative list of ISI marked Personal Protective Equipment, is appended below for mandatory compliance by the vendors without any deviation:

LIST OF PPES

Sl. No.	Name of PPE	Standard
(a)	Safety Helmet	IS: 2925 / EN 397.
(b)	Safety Footwear	IS 15298 / EN ISO 20345
(c)	Safety Goggles	ANSI Z87.1 / EN166.
(d)	Ear Plug	IS: 9167/ EN 352
(e)	Hand Gloves	(i) IS 4770 for electrical work (ii) EN 420 for general requirement (iii) EN 388 for mechanical hazard (iv) IS:6994 / EN 407 for heat applications (gas cutting / welding).
(f)	Welding Fume Respirator & Dust mask	IS: 9473 / EN: 149
(g)	Double lanyard Safety Belt & harness, automatic fall arrestor	IS: 3521
(h)	Cotton Boiler Suit Cloth	IS: 177 - 1989 (Amended up to date), Variety 3

xi. Fitment of portable ACs at the vendors' premises/PORTA cabins on chargeable basis. Following to be complied with respect to installation / usage of AC machines: -

(a) Installation of New AC Machines.

(i) ACs are to be of 5-Star Green rating upto a maximum of 1.5 Tons.

(ii) Vendors to seek installation clearance from ES&CM department. Post accord of clearance by ES&CM, vendor to install the AC and take power supply from designated place shown by the ES&CM dept.

(iii) All cables, RCCB, socket etc required for connection of the AC are to be arranged by the respective vendor.

(iv) Post completion of installation, an inspection will be carried out by the ES Dept for readiness to energise. Same procedure will be followed in case vendor willing to discontinue this facility.

(v) Charges toward electrical bills will be on monthly fixed rate basis @ 700.00 per month per AC irrespective of utilization / restriction of utilization.

(vi) In case vendor desires to remove AC connection, approval for the same to be obtained from ES Dept. However, full month charges will applicable for the said month in which the AC will be disconnected.

(vii) Any damage to GRSE property occurred due to use of AC to be made good by the vendor. In case vendor fails to carry out the same, defect will be made good under the risk and cost of the vendor.

(b) Usage of Existing AC Machine

(i) Vendors to apply for inspection of the installed AC by ES Dept. Any observations made by ES&CM dept during the inspection process are to be liquidated by the vendor. Cables, RCCB, socket etc, if required to be replaced, are to be undertaken by the vendor at his own cost.

(ii) Charges toward electrical bills will be on monthly fixed rate basis @ 850.00 per month (for below five stars rating) and ₹ 700.00 per month (for five stars rating) irrespective of utilization / restriction of utilization.

(iii) In case vendor desires to remove AC connection, approval for the same to be obtained from ES Dept. However, full month charges will applicable for the said month in which the AC will be disconnected.

Any damage to GRSE property occurred due to use of AC to be made good by the vendor. In case vendor fails to carry out the same, defect will be made good under the risk and cost of the vendor.

ARTICLE 24 अनुछेद-24**: SUBMISSION OF BID** बिड की पेशी:

1. Last date of submission of Bid / Date of opening of bid is indicated in Tender Document. Tender is liable to be rejected if all the requisite documents are not enclosed with the Part I, Techno- Commercial offer.
2. Date of opening of Part II offer i.e. Price Bid will be notified to all Techno-Commercially qualified bidders in due course after conclusion of TNC/CNC meetings and acceptance of Techno-Commercial offer. After opening of e-Price bids, the techno-commercially qualified bidders can view the System Generated Price Comparison Sheet from their own portal.

3. GRSE reserves the right to accept / reject any Tender in full or in part without assigning any reason.
4. Acceptance Format Matrix should be filled up and attached with techno-commercial bid as marks of acceptance of NIT/SOTR/STAC. In case of non-receipt of filled in STACs acceptance format matrix, it would be presumed that you have accepted all our terms& conditions as per GRSE tender until & unless deviation is specially mentioned in offer.

ARTICLE 25 अनुछेद-25**: PRE-BID MEETING** बोली-पूर्ब बैठक: A pre-bid meeting will be held on 11.09.2026 at 11.00 am at YM Dept. to discuss the detail Scope of Work of the Tender/ clarifying the queries of the bidders, if any. Vendors interested to participate in Pre-bid meeting should inform Mr. Debojit Nandi, AM (YM) e-mail: Nandi.Debojit@grse.co.in (Contact no. 8100188120) 48 hours before scheduled date of Pre-Bid Meeting.

1. INTRODUCTION

1.1 BACKGROUND INFORMATION

(a) Garden Reach Shipbuilders and Engineers Ltd (GRSE) is a Defence Public Sector Undertakings (DPSU) under the administrative control of the Department of Defence Production (DDP), Ministry of Defence (MoD), Government of India and a Navaratna company with the considerable experience and expertise in Shipbuilding/Ship Repair/ Bailey Bridge in commercial, defence and offshore segments in India and abroad.

(b) GRSE is an ISO 9001:2015, 14001, 18001 & 50001 certified company incorporated in 1934, under the Indian Companies Act, 1913, and acquired by the Government of India from Macneill & Barry Limited on May 19, 1960. The yard was designated as a Central Public Sector Entity (CPSE) in 1960, primarily catering to the shipbuilding requirements of the Indian Navy and the Indian Coast Guard. GRSE has recently completed a successful IPO process and is currently a listed Company with 75% stake held by the Govt. of India.

(c) The company has operations in two major divisions – a) Shipbuilding and Ship repairs and b) Engineering. GRSE derives majority of its revenue from its shipbuilding division, which also occupies major share of GRSE's gross revenue. The key products include Frigates, ASW Corvettes, Missile Corvettes, Fleet Replenishment Tankers, Landing Ship-Tanks, Landing Craft-Utility, Survey Vessels, Offshore Patrol Vessels, Fast Attack Crafts, Inshore Patrol Vessels, Fast Patrol Vessel, Hovercrafts and Pre-Fabricated Bailey type & Modular Steel Bridges.

1.2 MANUFACTURING UNITS

Various manufacturing units of GRSE is tabulated below: -

(i)	Rabindranath Tagor Shipyard (Kolkata) [Erstwhile Main Unit]	(v)	TTC Baranagar (Kolkata)
(ii)	Matangini Hazra Shipyard (Kolkata) [Erstwhile FOJ Unit]	(vi)	Taratala Unit (Kolkata)
(iii)	Rishi Bankim Shipyard (Kolkata) [Erstwhile RBS Unit]	(vii)	DEP Ranchi
(iv)	61 Park unit (Kolkata)	(viii)	KPDD (Kolkata)

1.3 ADDRESS/ TELEPHONE/ FAX NO. OF REGISTERED OFFICE

Garden Reach Shipbuilders and Engineers Ltd.
GRSE Bhavan, 61, Garden Reach Road,
Kolkata-700024, India
Website: www.grse.in

2. PRIMARY OBJECTIVE

2.1 PURPOSE

2.1.1 Garden Reach Shipbuilders and Engineers Limited (GRSE), Kolkata invites tender for dismantling/demolition (Non-explosive) of old CISF building (G+1) at Rishi Bankim Shpyard(RBS) [erstwhile RBS Unit] . The above building is located on the south-western side of the RBS Unit. It is a G+1 storied masonry building with total plinth area approx. 1000 sq.m (each floor approx. 500 sq.m) and is about 100 years old. Plan of the building is enclosed in **Appendix-1(A) & 1(B)** for reference.

2.1.2 The building is currently used for the accommodation of CISF personal having various internal dry & wet wall partitions & toilets etc.

2.1.3 As per the Health Audit report (2025) following are relevant. Health Audit Report is available with the Department for reference.

a) The said building is a load bearing structure with a central RCC staircase.
b) Structural cracks with deterioration / spalling of concrete due to corrosion of steel reinforcement slab, beam, lintel, chajja slab.
c) Due to corrosion and rusting of various steel members, there is a reduction in cross-sectional area, weakening of the material, loss of ductility, and localized stress concentrations, which caused the loss of strength and load-carrying capacity of the member. Therefore, the corrosion, rusting, and erosion of the various steel member have significant negative effects on the overall integrity and safety of the structure.
d) Leakages /dampness/fungus growth/surface deterioration/ crack on internal & external wall masonry.

2.1.4 During dismantling work, electrical power to the building will remain off with no live wire & utilities. Except Contractor's authorized person/workers, no person will be allowed to remain inside the building.

2.1.5 Dismantling of the building including existing foundation will be undertaken as is where basis and the Contractor will take out all the dismantled salvageable & unsalvageable building including all loose & remaining items lying in the building.

2.1.6 Finally, the entire building area will be made flat, cleaned & levelled with surrounding areas.

2.2 SITE LOCATION

RISHI BANKIM SHIPYARD
Rishi Bankim Shipyard (RBS) Garden Reach Shipbuilders and Engineers Ltd, 44, Garden Reach Road, Kolkata -700044

2.3 GENERAL SPECIFICATION

This set of technical requirement provides a general guideline for successful demolition of old CISF building (G+1) at RBS and is required to be carried out in accordance with the following scope of work, performance specification, Bill of Quantities (BOQ), relevant Indian Standard Codes for design & construction, BIS, Specification as per the latest PWD/CPWD/MORTH and best engineering practices.

3. SCOPE OF WORK

Scope of work under this tender includes following, keeping in view of the above Primary objective. Bidder must visit the workplace for detail inspection & assess the nature, sequence & extent of the job in detail along with safety requirements before submission of tender and also attend pre-bid meeting. Any queries/suggestions in respect of the scope of work & SOTR shall be communicated to GRSE by the Bidders well before pre-bid meeting for finalization of the same.

a) **The work shall include complete demolition (Non-explosive) including foundation, removal, and disposal of the building along with all associated structural and non-structural components, in a safe and systematic manner as per approved methodology, safety requirements, and applicable standards.**

b) **Control, sequential & safe dismantling (non-explosive) of the existing old CISF building (G+1) in accordance with the approved detail plan & methodology and the instructions of Engineer In-charge of GRSE. For smooth implementation, deploying appropriate & adequate machinery, safety gadgets etc.to fulfil the aforesaid primary objectives/broad requirements of GRSE while dismantling and engaging qualified & competent structural Engineer for guidance, experienced site supervisor & workmen is mandatory.**

c) **Thorough survey of the building with structural arrangement, utilities & services & building surroundings and submission of detail plan & methodology specifying the procedure & sequence for dismantling to be adopted, equipment & tools to be used, processes involved & its duration, method of shifting/handling/disposal of building debris & dismantled components etc. for approval by GRSE prior to commencement of work.**

d) **Above plan & methodology shall include all precautionary & safety measures to be adopted by the Contractor during dismantling work for ensuring safety & protection of the surrounding buildings/facilities/utilizes/services, adjoining pedestrians & vehicular traffic inside GRSE, safe handling/storage of flammable items, firefighting appliances and other safety measures.**

e) **Provide temporary supports/props/bracings/ties/strengthening based on site situation & requirements as necessary & under guidance of qualified structural Engineer for safely dismantling/ demolition of the building.**

f) **Existing ground drainage, pipelines & other utilities shall be protected from any damage as per the instructions of Engineer In-charge of GRSE. In case of damage, the same has to be rectified/replaced on priority**

g) **Providing fencing of dismantling site, covering of building with special sack/synthetic cover to protect from falling rubble & dust with installation of proper scaffolding as necessary. During VIP visit/Launching ceremony at RBS, Contractor shall ensure covering of the building suitably as per directive of Engineer-In charge GRSE.**

h) **Contractor shall arrange disposal of debris & other dismantled items concurrently with dismantling work as there is very limited storage space surrounding the building. Contractor shall ensure that their dismantling, handling of debris & its disposal shall not come in the way of ongoing functioning of GRSE.**

i) **Take out all the dismantled salvageable & unsalvageable building items, all debris/waste as generated during dismantling work and also misc. loose items lying inside the building out of GRSE premises (as per prevailing rules of GRSE) progressively. Contractor shall ensure timely disposal of the above items in accordance with rules & regulations of GRSE so that progressive site clearance is maintained, which is essential due to inadequate space & surrounding busy roads of GRSE.**

j) **Contractor shall ensure that there is no littering/deposition of demolition waste in the roads of GRSE & KMC and prevent obstruction to the traffic or to the public or drains. The Contractor shall abide by the applicable Municipal Solid Wastes Rules of Municipal Corporation & get appropriate clearance from the local authority along with payment of fess as applicable for collection, segregation, transportation, disposal/recycling of dismantled debris including scraps in an environmentally sound manner.**

k) **Work area surroundings particularly the road must always be kept thoroughly cleaned and no hinderance whatso ever will be allowed.**

l) **Final clearance of building site area including proper levelling, dressing & cleaning of the site area.**

m) **Identify and disconnect all existing utilities/services such as electrical lines, water supply, drainage, gas lines, etc., in due approval & coordination with concerned Dept.**

n) **Provide necessary barricading, warning signage, access control, and safety arrangements around the demolition area.**

o) **Carry out condition assessment of adjacent structures, roads, and existing facilities to avoid any damage during demolition.**

p) **Ensure proper dust suppression measures through water sprinkling during demolition activities. Maintain safe working conditions for workers and nearby occupants. Take adequate measures to control noise, vibration, and dust pollution. Comply with all applicable safety rules, regulations, and statutory requirements.**

q) **Complete removal of all demolition waste including embedded reinforcement into concrete, debris, and temporary arrangements after completion of work. Level and clean the demolition area as per requirement. Make the site ready for subsequent construction/activities.**

r) **Finally, the entire building area will be made flat, cleaned & levelled with surrounding areas.**

s) **Scope also includes other allied & related jobs including necessary temporary work, protective measures, applicable statutory permission for successful completion of the above.**

4. GENERAL REQUIREMENTS

a) The Contractor shall carry out detail survey on site for finalisation of extent of work before execution. All work shall be carried out as per specification provided in Scope of Work/Price Schedule/Applicable Statutory Rules/ Relevant BIS/ Attached drawings and as directed by the Engineer In-charge of GRSE.

b) The Contractor will be responsible for deputing qualified Structural Engineer for overall site safety/management including related structural issues/dismantling sequence etc. to ensure adequacy, stability and safety of the works and working persons at the site. The contractor shall plan the work meticulously in coordination with on-going production activities of GRSE, other contractors working in and around the workplace.

c) Apart from the work progress, adhering to necessary measures for safety, fire & health during dismantling of building & working personnel being paramount requirements, the contractor must adopt necessary actions & obtain necessary work permit from concern Depts. of GRSE (i.e. Safety, Fire etc.) as applicable in line with prevailing rules & regulations of GRSE.

d) The contractor shall take all precautionary measures in consultation with GRSE Safety Dept. while working at height during dismantling, construction etc.

e) The submission to and comment/acceptance by the Engineer of such programmes, methods, drawings, designs, QAP shall not relieve the Contractor of any of his duties or responsibilities under the Contract.

5. DOCUMENTS AND DRAWINGS

The Contractor shall submit following documents, as necessary to the Engineer or his representative for approval:

(i) Detailed Dismantling arrangement plan, engineering drawing etc. with activity schedule of work and drawing.

(ii) Necessary safety plan.

(iii) Progress Reports on weekly basis.

6. HEALTH AND SAFETY.

a) Safety Guidelines to be adopted by the Contractors at GRSE Premises. The contractor shall provide & ensure use of ISI marked Industrial Safety Shoes, Safety Helmets, Retractable type Full Body Harness (Double Lanyard), Welding Fume Respirator, Safety Goggles, Hand Gloves, Boiler Suits & other necessary Personal Protective Equipment (PPEs) depending upon the nature of job while at work.

List of Personal Protective Equipment (PPE)

SL No.	NAME OF PPE	STANDARD
1	Safety Helmet	IS: 2925/EN: 397
2	Safety Footwear	IS: 15298/EN: ISO 20345
3	Safety Googles	ANSI: 287.1 / EN: 166
4	Ear Plug	IS: 9167 / EN: 352
5	Hand Gloves	i. IS: 4770 for Electrical work. ii. EN: 420 for general requirement.

		iii. EN: 388 for Medical Hazard. iv. IS: 6994 / EN: 407 for heat applications (Gas Cutting / Welding)
6	Welding Fume Respirators & Dust Musk	IS: 9473 / EN: 149
7	Double lanyard Safety Belt & harness, automatic fall arrestor.	IS: 3521
8	Cotton Boiler Suit Cloth	IS: 177-1989 (Amended up to date), Variety 3

b) Hot Work Safety (Gas Cuttinq, Weldinq etc.).

Prior to commencement of hot work, surrounding areas (including other side of the bulkhead & deck) shall be inspected for the presence of any inflammable materials and no Hot Work shall be carried out without obtaining Hot Work Permit from Fire Fighting Department of GRSE.

(i) Adequate ventilation must be arranged while working in confined spaces throughout the period of carrying hot work.

(ii) Damaged gas hoses & welding cables should not be used for gas cutting & welding job. Gas cutting hoses & copper welding cables must be ISI marked of reputed make. Use of Aluminium Welding Cable is prohibited during construction activities from fire safety point of view.

(iii) The gas cutting hose should be separated from welding cables & electric cables.

(iv) The welding holders, if energized, should not be left unattended.

(v) All gas cutting torches shall be ISI marked of reputed make and must be fitted with standardized FLASH BACK ARRESTER.

(vi) Full insulated welding holders (ISI marked) shall be used in construction jobs.

(vii) During recess period (Lunch time and at the end of day's work) or when work is suspended for more than half an hour, the gas cutting hoses shall be disconnected from

the cylinder valves and removed from ship's confined space and keep the same in an open area / Main Deck.

(viii) All gas equipment shall be subjected to "Water Dip" test daily, before taking those on board. A record of the testing to be maintained by the person carrying out such test.

(ix) Electric power shall be cut off from welding transformer end during recess period, at the end of day's work and whenever the work is stopped for at least half an hour.

(x) During hot work activity at the overhead location and on the bulk head, a person must be deputed at the opposite side of hot work from fire safety point of view. xii. Use of LPG for gas cutting is strictly prohibited in the shipyard

c) Safety during Grinding.

(i) All grinding machines shall be provided with standardized & non-expired grinding wheels of reputed make and shall be fitted with protective metal guards during grinding job.

(ii) Use of oversize grinding wheel is prohibited.

(iii) All grinding wheels shall be of reputed brand & make and shall be stored / handled carefully prior to taking into use.

(iv) Damaged grinding wheel shall be replaced forthwith for avoiding likely hood bursting of the Wheel.

(v) Suitable Safety Goggles / Transparent Face Shield to be used for protection of eyes against foreign body.

(vi) Double insulated type portable Grinding Machines to be used.

d) Safety precautions while working at height.

(i) Prior to starting of any work at height from where a person may fall and get injured, “Height Work Permit” (Annexure - I) shall be issued by the concerned official of YM Department to the concerned contractor firm and to be forwarded to Safety Department for clearance.

(ii) The vendor representative / Supervisor shall check the height work area before commencement of height work & confirm to comply according to the checklist (as per Annexure – II).

(iii) All temporary scaffolding structure (Metal / Bamboo) should be erected with adequate stability of the structure and dimensions as per IS: 3969

(iv) While erecting the scaffolding structure and working on scaffolding platform, all concerned personnel shall wear full body harness with double Lanyard (safety belt) with anchoring the lifeline to the nearest rigid structure.

(v) The scaffold platforms to be provided with suitable hard barricading at the open sides. Top guard must be at least 42", mid 21", toe board 4" from the working surface and wooden working platform / planks to be secured at both ends for preventing over turning of the wooden planks.

(vi) The staging / scaffolding planks should be so arranged that there is no gap between them.

(vii) There should be sufficient lighting in and around the staging / Scaffolding, if the work is planned after the sunset.

(viii) Defective wooden planks (weak, rotten, cracked, split, bent) should never be used on staging. Staging planks to be checked thoroughly and defective planks should be replaced prior start of work.

(ix) While erecting scaffold, care should be taken to ensure that the distance between two transoms is not more than one metre

(x) Suitable Ladders should be tied / anchored at the top as well at the bottom to prevent dislodging from it's position.

(xi) Where erection of scaffolding structure is not feasible / provided, appropriate type of Suspended Working Platform for single person in sitting posture (Boatswain's Chair) may be used by anchoring on to the fixed rigid structure in conjunction with use of double lanyard full body harness (safety belt) and automatic fall arrestor to prevent inadvertent fall of person from height.

(xii) As per requirement, Safety Net (having suitable mesh size) to be erected just below the work location to prevent fall of man, material and tools & tackles from height.

(xiii) 'Safety Tool Box' to be conducted by the Site In-charge / Supervisor of the contractor firm on regular basis prior to commencement of day's work and a register to be maintained at site with signature of the height workers, duly endorsed by the Site In charge of the firm.

e) Safety precautions while working on fragile roof (A.C Sheet).

(i) Prior to starting of any job on fragile roof (A.C.Sheet), "Height Work Permit" (Annexure - I) shall be issued by the concerned official of Civil Department to the contractor firm and to be forwarded to Safety Department for clearance.

(ii) The vendor representative / supervisor shall check the height work area before commencement of height work & confirm to comply according to the checklist (as per Annexure – II).

(iii) While working on fragile roof (A.C.Sheet), dedicated Roof Ladder along with the full body harness with double lanyard (safety belt) shall be used on the top of the roof and safety belt to be anchored to a rigid structure above the roof.

(iv) Safety Net (having suitable mesh size) to be erected just below the work location to prevent fall of man, material and tools & tackles from height

(v) Where a rigid structure is not available for anchoring the hook of safety belt (double lanyard full body harness), a dedicated horizontal life line of adequate strength to be erected above the roof for ensuring safe movement across / along the fragile roof.

(vi) The underneath area of work on fragile roof shall be cordoned with cautionary tape with a minimum site clearance of 5 mtr. in all direction from the location of work and sufficient number of Cautionary Notice Board (in Bengali & Hindi Language) to be displayed & maintained at site for general information to the others / personnel working in the close vicinity.

(vii) 'Safety Tool Box' to be conducted by the Site In-charge / Supervisor of the contractor firm on regular basis prior to commencement day's work and a register to be

maintained at site with signature of the height workers, duly endorsed by the Site In charge of the firm.

(viii) All personnel working on fragile roof, shall be well trained and conversant with the use of Roof Ladders, full body harness safety belt, anchorage of lanyard of harness on the horizontal lifeline etc.

f) Safety precautions during & after excavation of soil.

(i) Civil maintenance work which requires excavation of soil, shall be cordoned immediately with hard fencing of adequate strength, all around the excavated location, to prevent inadvertent fall of persons inside the trench.

(ii) Such cordoned areas are also to be marked / identified with cautionary banners / danger tapes to attract attention of the moving vehicles inside the factory premises.

(iii) After filling up of excavated locations, the said area should not be immediately left opened / allowed for vehicle movement until the total area is suitability settled & made strengthened to avoid any vehicle to be entrapped therein.

g) Electrical Safety.

(i) Only standardized electrical extension boards fitted with industrial type plug, socket and MCB, to be used at site for drawing temporary power from the nearby electrical outlet points.

(ii) Use of damaged / worn out power cable, electrical extension boards, plug & sockets etc. are strictly prohibited at work site.

(iii) Electrically operated power tools (e.g. Cutting Wheel, Grinding Machines, Hand Held Concrete Vibrator etc.) shall be of double insulated type.

(iv) Contractor personnel of the firm shall not tamper / alter any electrical connection for exigency of work. For all type of required electrical support, GRSE electrical department shall be approached through proper channel.

h) Health & Safety Plan.

(i) In addition to the GRSE's Health and Safety Guideline the Contractor must fully comply with all relevant Indian Health and Safety legislation. Nothing in the contract or this specification shall reduce his statutory obligations with respect to health and safety.

(ii) The Contractor shall be responsible for ensuring that his works are safe. To this end, contractor shall nominate a suitably qualified Health and Safety Manager who shall prepare a Health & Safety Plan for the works in accordance with GRSE guidelines/standards. The Contractor shall be responsible for implementing the Health & Safety Plan with respect to his works. The Health & Safety Plan shall, as a minimum, contain a Health & Safety Risk Assessment and a Health & Safety Management Plan.

i) Health & Safety Risk Assessment.

(i) This shall identify all potential hazards to people that may arise due to the works. In this context "people" shall include anyone who may be affected by the works whether Contractor's personnel, Owner's personnel, other contractors' personnel, visitors, general public etc.

(ii) Hazards shall include those which may arise due to the interaction of the Contractor's own activities with those of others in the Main Yard including dockyard operations.

(iii) The risk assessment shall identify appropriate methods to eliminate or reduce the risk of the hazard occurring to the minimum that is reasonably practicable.

(iv) It shall define the specific ways in which each Hazard and its consequent Risk is to be minimised, for example by:

(v) Training of personnel.

(vi) Physical measures on site e.g. temporary works, barriers etc.

(vii) Methods of work on site.

(viii) Management e.g. permits to work; monitoring and control of potentially hazardous activities, co-ordination with other parties

(ix) Documentation e.g. method statements, maintenance manuals etc.

j) Health & Safety Management Plan.

(i) This shall document the Contractor's plan for managing, co-ordinating, implementing, monitoring and controlling his activities with respect to Health & Safety.

(ii) It shall include an organisation chart which shall identify those personnel in the Contractor's organisation (office and site) who have particular responsibilities for Health & Safety matters, with their contact details.

(iii) The Contractor's Health & Safety Manager or his nominated representative shall be available at all times during the progress of the works

(iv) It shall include but not be limited to: -

(aa) Methods for assuring health and safety, both of his own personnel and that of other people in the shipyard who may be affected by the Contractor's activities.
(ab) Staff training and certification.
(ac) Accident reporting.
(ad) Reporting of non-compliance.
(ae) Safety Management and control of Sub-Contractors.
(af) Work Equipment, Plant, and Personal Protective Equipment.
(ag) First aid provision.
(ah) Emergency procedures.

k) Height work.

All height work shall be carried out adopting appropriate safety measures like erecting steel / iron scaffolding, use of cherry picker / man lift or any other suitable safe measure to carry out such jobs on obtaining proper height work permit from GRSE safety department. Safety belt, fall arrestor, PPE etc shall be used during any height work execution. GRSE safety norm shall be followed while work execution in side of the factory premises. Under no circumstance, safety shall be compromised.

7. SUPERVISION, MONITORING & CERTIFICATION OF JOBS

The work shall be executed in coordination/consultation with GRSE-Reps i.e. Nominated Representative of respective Unit, who will overall in-charge of the job at their respective Unit.

8. DETAIL JOB REQUIREMENT & QUANTITY

a) The Bidders after due site assessment shall quote as per the Price Schedule attached at Appendix-2 for dismantling & taking way of salvageable & unsalvageable items in lump sum.

b) The quoted price shall cover entire Scope of Work for dismantling of building as is where basis, removal of dismantled items & site clearance and as mentioned in SOTR.

c) All bidders shall quote against all the items of Price Schedule, otherwise, their bid would be considered as Incomplete Bid and shall be liable for rejection.

9. CONTRACTOR TO SUPPLY ALL MATERIALS

a) Unless stipulated otherwise in the Contract, all materials including consumables required for the work shall be procured and supplied by the Contractor with the approval of the Engineer or his Representative and subject to subsequent testing as may be required by the Engineer or his Representative.

b) The Contractor shall comply with the relevant IS Codes.

10. DEPLOYMENT OF RESOURCES

a) Contractor shall provide adequate number of qualified / experienced workmen, with experienced Structural Engineer with a technical qualification not less than ME/BE (10 Years' experience) and also one experienced / qualified Safety Officer having requisite qualification in Industrial Safety, recognized by the State Govt. / AICTE and working experience in industry / project work. The credentials of the vendor's safety personnel are to be submitted to Unit Safety Department duly endorsed by the concerned stakeholders mentioning the relevant P.O. No. and also have sufficient construction equipment, materials, tools & tackles etc. for achieving the schedule target as per approved work schedule. The contractor shall ensure timely deployment of all above resources at site to ensure contractual completion.

b) The contractor shall ensure deployment of adequate and proper skilled/semi-skilled workforce as per work requirements and optimum supporting unskilled workforce as necessary.

c) The Contractor shall provide necessary and adequate supervision during the execution of the works.

d) The Contractor or his competent and authorised agent or representative shall be constantly at site during working hours. The Contractor shall inform the Engineer or his Representative in writing about such representative / agent of him at site. Replacement of any of the authorised agent of the Contractor during the currency of Contract shall only be with prior written approval of the GRSE/ Engineer.

e) The Contractor and his authorised agent or representative shall be readily available to meet with the GRSE and/or Engineer and/or Engineer's Representative and instructions given to him by the Engineer or his Representative in writing shall be binding upon the Contractor.

11. INSPECTION BY THE ENGINEER

a) For Site supervision, the Contractor shall give adequate notice to the Engineer (authorised representative of GRSE).

b) The Contractor shall provide the Engineer with proper free and safe access to the Contractor's works and stores or his sub-contractor's works and stores at all times and shall provide reasonable facilities to enable him to undertake his inspection.

c) The Contractor shall make all necessary arrangements to enable stage inspections by the Engineer.

d) The Engineer or his Representative shall have power to certify or disapprove/reject works or materials, in accordance with the Conditions of Contract.

12. QUALITY & WORKMANSHIP

Quality and workmanship of all items/materials and work shall conform to price schedule / Reports / Technical Specification / relevant Indian Standards. The Contractor shall be responsible for any loss/damage during the course of work to machinery, equipment, fittings, wiring, piping, and systems etc. caused by his workman (or his sub contractor's) and the Contractors shall make good such damage free of cost.

13. MATERIALS / WORK NOT ACCEPTABLE TO ENGINEER

The Engineer or his representative shall have the power to inspect any material and work at any time and to order at any time – (a) for removal from the Site of any material which in his opinion is not in accordance with the Contract or the instruction of the Engineer or his Representative, (b) for the substitution by the proper and suitable materials, or (c) the removal and proper re-execution of any work, which in respect of material and workmanship is not in accordance with the Contract or the instructions of the Engineer. The Contractor shall comply with such order at his own expense and within the time specified in the order. If the Contractor fails to comply, the Engineer shall be at liberty to dispose any such materials and re-do any work in the manner convenient to the Engineer by engaging any outside agency at the risk and expense of the Contractor and after giving him a prior written notice of 7 (seven) days. The Contractor shall extend his full assistance as required by the Engineer during inspection.

14. CONTRACTOR TO COMMENCE WORK

The Contractor shall mobilize and commence the work on site on the Commencement Date stated in the LOA/PO. The Contractor shall then proceed with the work with due expedition and without delay, except as may be expressly sanctioned or ordered by the Engineer or his representative, time being deemed the essence of the Contract on the part of the Contractor.

15. CARE OF THE WORK & CLEAN JOB PLANNING

From the commencement of the works till issue of the Completion Certificate hereof; the Contractor shall take full responsibility for the care thereof. Save for the excepted risks, any damage, loss or injury to the work or any part there of shall be made good by the Contractor at his own cost as per instruction and to the satisfaction of the Engineer, failing which the Engineer or his Representative may cause the same to be made good by any other agency and the expenses incurred and certified by the Engineer / Owner, shall be recovered from the Contractor.

16. PROTECTION OF THE EXISTING STRUCTURES / MACHINES

a) The Contractor will be responsible for the protection of all existing structures, machines, cranes etc. adjacent to and within the Works from any type of damage.

b) Before the commencement of work, the Contractor to take necessary precautions and measures to safeguard the existing structures/machines/ materials and protect them from possible damages. For that the Contractor will arrange adequate safety nets, ropes etc. without any extra cost.

c) If any damage occur by the Contractor or contractor's workmen, will be recovered suitably from the Contractor.

17. EXISTING ROADS & SHOP FLOOR TO BE KEPT CLEAN

a) Existing roads & Shop floor used by vehicles/machineries of the Contractor or any of his subcontractors for supplies of materials or plant shall be kept clean and clear of all dirt, mud or any other materials dropped by the said vehicles or their tyres. The Contractor shall provide and maintain all equipment as may be necessary to keep the Owner's roads clean as required by this Clause.

b) Any damage caused by the Contractor to the surface of the roads or car parks shall be made good at his own cost.

18. CONTROL OF POLLUTION / HEALTH HAZARDS / SAFETY

The Contractor shall take care to comply with current legislation on the Control of Pollution.

19. SITE-IN CHARGE / LOG BOOK / HINDRANCE & OTHER RECORDS / DESIGNATED SAFETY PERSONAL

a) One fully responsible and experienced / Qualified Site-in-charge and designated safety personal have to be posted at the site during progress of work.

b) Details of technical personnel deployed for the job.

c) Log book for re-work / modification.

d) Site instruction book.

e) Details of materials brought by vendor along with copies of challan.

f) Proper record of hindrances is to be maintained by the contractor for the purpose of timely removal of the hindrance and is to be put up for approval by the Engineer on weekly basis.

20. CLEARANCE OF SITE

a) During the work, the Contractor shall remove all unsalvageable dismantled materials, asbestos & translucent sheets, north light glazing, excavated surplus earth etc. as directed by the Engineer from the site progressively so that the work activities remain unaffected. These materials shall be disposed off to a suitable area (to be arranged by the Contractor in conformity with statutory rules) outside the GRSE premises.

b) On receiving the Completion Certificate, the Contractor shall remove any remaining Contractor's Equipment, surplus material, scrap materials, wreckage, debris, rubbish and temporary works from the Site or as directed by the Engineer.

c) The site shall be handed over in a tidy and workmanship manner.

d) If all these items have not been removed within 28 (twenty-eight) days, after the issue of Completion Certificate the Owner may sell or otherwise dispose of any remaining items. The Owner shall be entitled to be paid the costs incurred in connection with, or attributable to, such sale or disposal and restoring the Site.

21. GRSE SCOPE OF SUPPLY

a) Electricity

GRSE will provide electrical power supply at one point / suitable location near the construction area / site at free of cost for execution of job. The Contractor shall make necessary arrangements for further distribution, as required, from that point on a temporary basis all at his own cost. The contractor shall ensure consumption of power in very economical way to save energy.

b) Water

Construction water will be provided at free of cost from existing source of GRSE. The Contractor shall arrange necessary water distribution pipe line and pump as required all at his own cost.

22. SPECIAL TERMS AND CONDITIONS OF CONTRACT

22.1 TECHNICAL ELIGIBILITY CRITERIA

a) The bidder shall have experience of successful execution of Similar Nature/Type of work i.e. dismantling of Building/Shed/Industrial Structure made of RCC/Masonry/Steel during last seven (07) years ending on last day of previous month of tender published date. Supporting documents meeting above Technical Eligibility Criteria to be submitted along with the bid. Also, full contact details like name, address, telephone numbers of the person under whose direct jurisdiction the work was executed etc.to prove that they had carried out such works successfully in any PSU / Corporate house / Big Industry/ Reputed organization. In case the work experience is of Private sector the completion certificate shall be supported by the copies of LOA/PO and corresponding TDS Certificates.

b) Bidder has to fulfill experience in successful completion of aforesaid similar jobs of value not less than following in last 07 years ending on last day of previous month of tender published date: -

(i) Dismantling work excluding salvage value Rs. 45 Lac (incl. GST) for one (1) job Or Dismantling work including salvage value Rs. 24 Lac (incl. GST) for one (1) job.

OR

(ii) Dismantling work excluding salvage value Rs. 28 Lac (incl. GST) each for two (2) jobs Or Dismantling work including salvage value Rs. 15 Lac (incl. GST) each for two (2) jobs.

OR

(iii) Dismantling work excluding salvage value Rs. 23 Lac (incl. GST) each for three (3) job Or Dismantling work including salvage value Rs.12 Lac (incl. GST) each for three (3) jobs.

22.2 PRE-BID MEETING &SITE VISIT

a) Attending pre-bid meeting along with site visit physically is mandatory and the submitted Bid will not be considered in case of non-participation. Pre-bid Meeting will be held on 10th day from the date of publication of tender.

b) Prospective Tenderers shall submit their queries, if any in connection with the Tender, in writing by email at the earliest to enable GRSE to clarify the same. The last date of submitting the queries is 2 days prior to the pre-bid meeting. Copies of the Employer's response will be displayed on GRSE website **www.grse.in** including a description of the enquiry but without identifying its source.

c) Also, the Bidder before submission of tender shall make a detail site visit for proper assessment of the work. The tendered job being item-rate contract as per the BOQ, the Bidder should assess and bring out their observation (if any) during pre-bid meeting for discussion.

22.3 SUBMISSION OF TECHNICAL DOCUMENTS ALONG WITH THE BID

The Tenderer shall submit following documents along with their bids;

a) Plan & Methodology of dismantling work specifying procedure, sequence, equipment & tools to be used, precautionary & safety measures, method of shifting/handling/disposal of building debris & dismantled components etc.

b) Detail schedule of work

c) Necessary supporting documents for experience as per technical eligibility criteria

22.4 SITE CONDITION

a) The Tenderer shall consider that accommodation for personnel of the Contractor and their sub-contractors is not allowed to reside at GRSE premises.

b) All the work sites are within the compound of a running engineering works and the Contractor's works will have to be carried out in a manner so as to avoid interruption in the normal shipyard production activities. Accordingly, the Contractor is to co-operate with GRSE to minimize disruption to shipbuilding activities and is to preserve and maintain GRSE vehicular access route for the transport of ship blocks etc.

c) Tenderer must carefully consider his method of works and safety of the works in relation to environmental factors and the ground conditions.

d) Before quoting, the Tenderer in his own interest shall carry out site visits to know the site conditions / situations and full implications of the assignment. This will also help him in proper assessment of the work. Failure to do so will not absolve the contractor of his responsibility to carry out the work as specified in the Tender Documents. The cost of visiting the site shall be borne by the Tenderer and shall be at his own responsibility and risk.

22.5 SITE CONSULTATIONS

The work shall be carried out in consultation with the YM Department headed by Addl. General Manager (YM) with other officers as nominated by him.

22.6 AWARD OF WORK

a) Resultant L1 Bidder quoting lowest total tender Sum against the said job (i.e. net difference of quoted value for Dismantling and Salvage) will be decided after price evaluation of the said work.

b) The work will be executed as a whole without splitting of order.

22.7 WORK DONE CERTIFICATE (W.D.C.)

The contractor will put up Work done for certification to Engineer along with all inspection report/measurement sheet signed by Quality Assurance Authority/Engineer. Work done certificate is to include whether work has been completed as per delivery schedule or the delay in days/weeks occurred in completion of work. Any recovery towards usage of GRSE resources is also to be indicated.

22.8 COMPLETION PERIOD

(i) Tendered job being urgent in nature is required to be completed on fast track. The Period of Completion of the work will be two (02) Months from the date of issuing of LOA/PO whichever is earlier.

(ii) However, 15 days mobilization time will be provided separately over and above-mentioned months after placement of LOA/ PO whichever is earlier.

(iii) The Tenderer, however, is required to assess the period and confirm the completion period. The tenderer must submit a network schedule explaining planning and program in detail for execution of the project. Please note Time is the essence of this contract.

(iv) During execution of work the contractor shall ensure the timely mobilization of their equipment, adequate manpower and materials based on agreed work schedule / milestones. The contractor shall adopt necessary measures to avoid any delay in work progress. In case of interim delay, the contractor shall augment more manpower and also work during extended working hours / holidays to catch up the delay.

22.9 TERMS OF PAYMENT

a) For Dismantling work, 90% (ninety percent) of the value of work will be paid on dismantling including area clearance. Balance 10% payment will be released after completion of entire work. The Contractor shall submit RA bills (in triplicate) to the Engineer for the above payments.

b) For Salvage value, the Contractor shall make 100% payment to GRSE against salvage value before commencing dismantling.

c) Works completed shall be jointly measured by the Contractor & Engineer / Engineer's representative.

22.10 SUBMISSION OF RA BILLS BY THE CONTRACTOR

The Contractor shall submit to the Engineer, RA bills (in soft copy & Hard Copy) for the certification of payments, for the amount due along with all relevant documents each signed by the Contractor's authorised representative, such interim measurement and valuation of the works, material entry documents, etc. signed by the Engineer's Representative, certificates of inspection/ trials, as may be applicable to respective stages. Works completed shall be jointly measured by the Contractor & Engineer /Engineer's representative. After certification of bill contractor shall uploads the certify quantity including all supporting documents in GRSE OBPS portal for bill payment.

22.11 OWNERSHIP OF SALVAGEABLE ITEMS / SCRAP

(a) All scrap items (salvageable & non-salvageable) i.e. Metal, wooden materials, brick, concrete, dismantled asbestos sheets, translucent sheets and north light glazing etc obtained/generated from dismantled building shall be the property of the Contractor.

(b) Any Treasure found during the dismantled of the building, will be the property of the GRSE.

22.12 VARIATION AND ITS VALUATION

In case of unavoidable situation, the Engineer shall have the power to order the Contractor in writing to make any variation of the work area or any part thereof that may, in his opinion, be necessary and the Contractor upon receipt of such an order shall act as follows and the amount for such variation will be arrived at mutually:-

a) Increase or decrease the work area included in the Contract.

b) Omit any work included in the Contract.

c) Change the character or quality of kind of any work included in the Contract.

d) Execute extra and additional work of any kind necessary for completion of the works.

22.13 PAYMENT FOR EXTRA, ADDITIONAL, OMITTED, SUBSTITUTED WORK

a) **The Contractor shall not be entitled to any claim of additional work unless they have been carried out under the written orders of the Engineer.**

b) **The Engineer shall solely determine the amount (if any) to be added to or deducted from the sum named in the Tender in respect of any additional work done or work omitted by his order subject to approval of the Owner.**

c) **All additional or substituted work done or work omitted by order of the Engineer shall be valued on the basis of the rates and prices set out in the Contract, if in the opinion of the Engineer, the same shall be applicable. If the Contract does not contain any rates or prices directly applicable to the extra, additional or substituted work, the Engineer shall solely determine suitable rates in the manner deemed by him as fair and reasonable, and his decision shall be final, binding and conclusive.**

d) **Rates of item of work that is not included in the schedule of items/BOQ shall be fixed as per the following procedure:**

(i) Where the extra works are of similar character and of equivalent value and / or executed under similar conditions as to any item of work appearing at Schedule of Quantities, then the rates for such extra items shall be equal to the rates of such items.

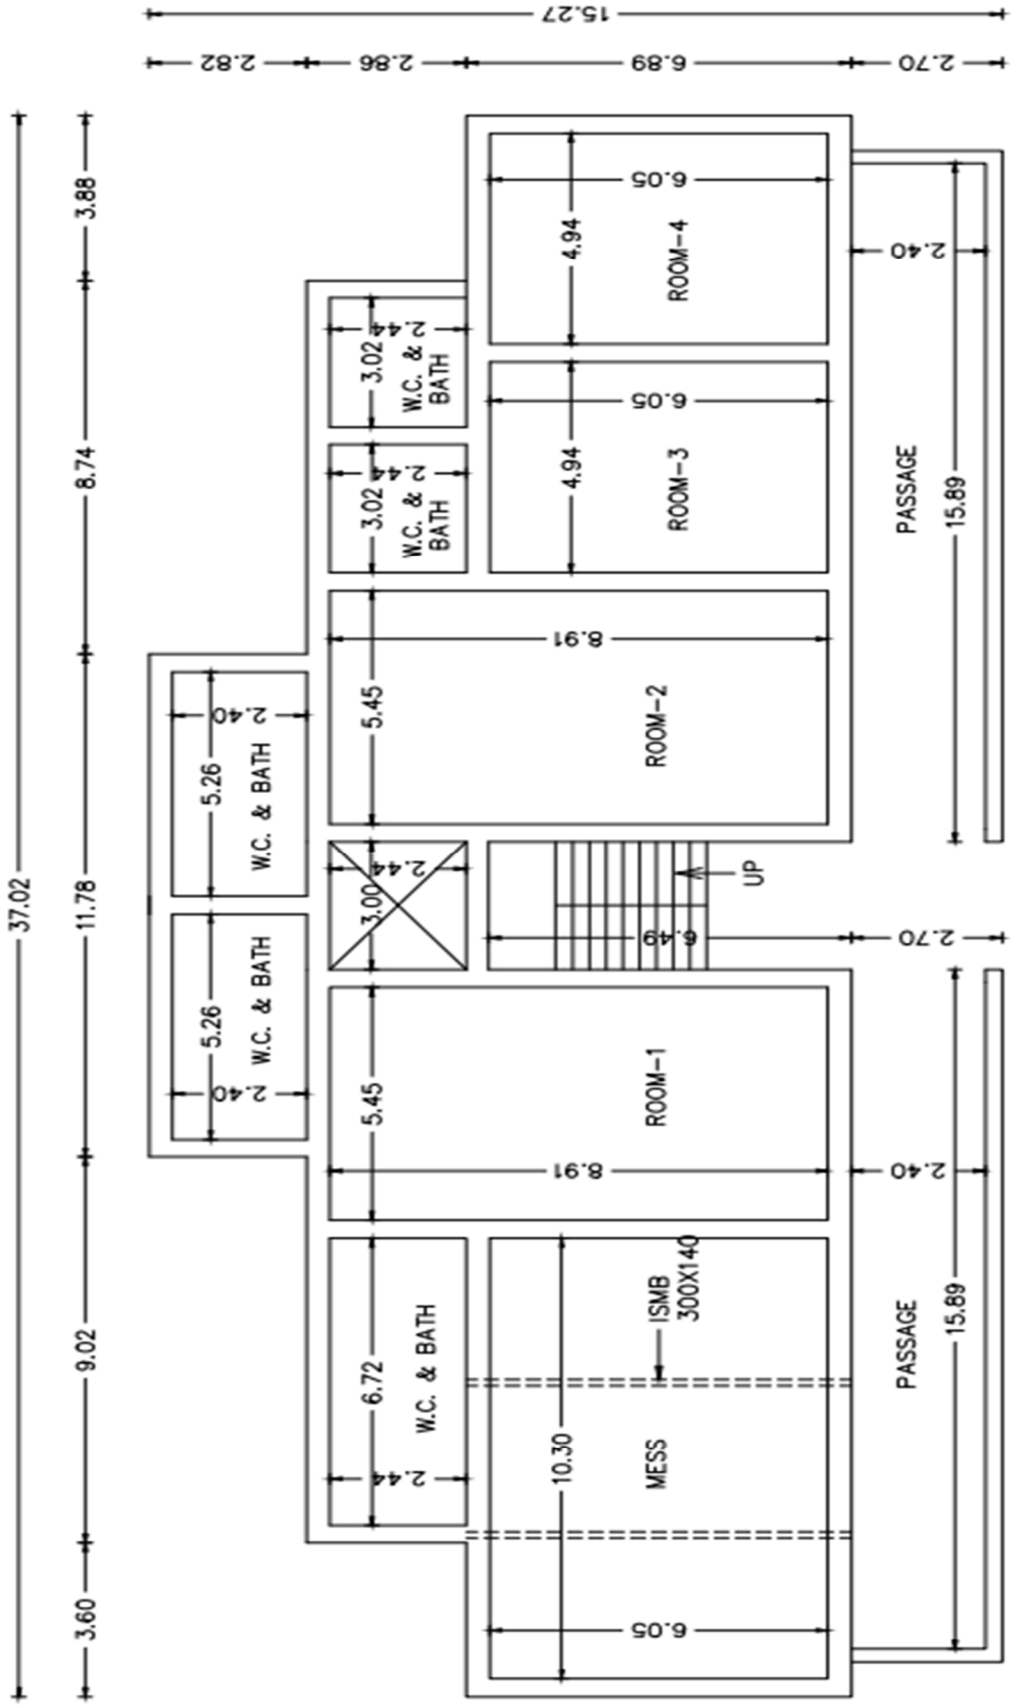

(ii) If the extra works are of similar character but differing in particulars then the rate of such item or items shall be derived from Schedule of Quantities, as modified to take fair account of the differences in particulars.

(iii) Where items of similar character are not contained in the Schedule of

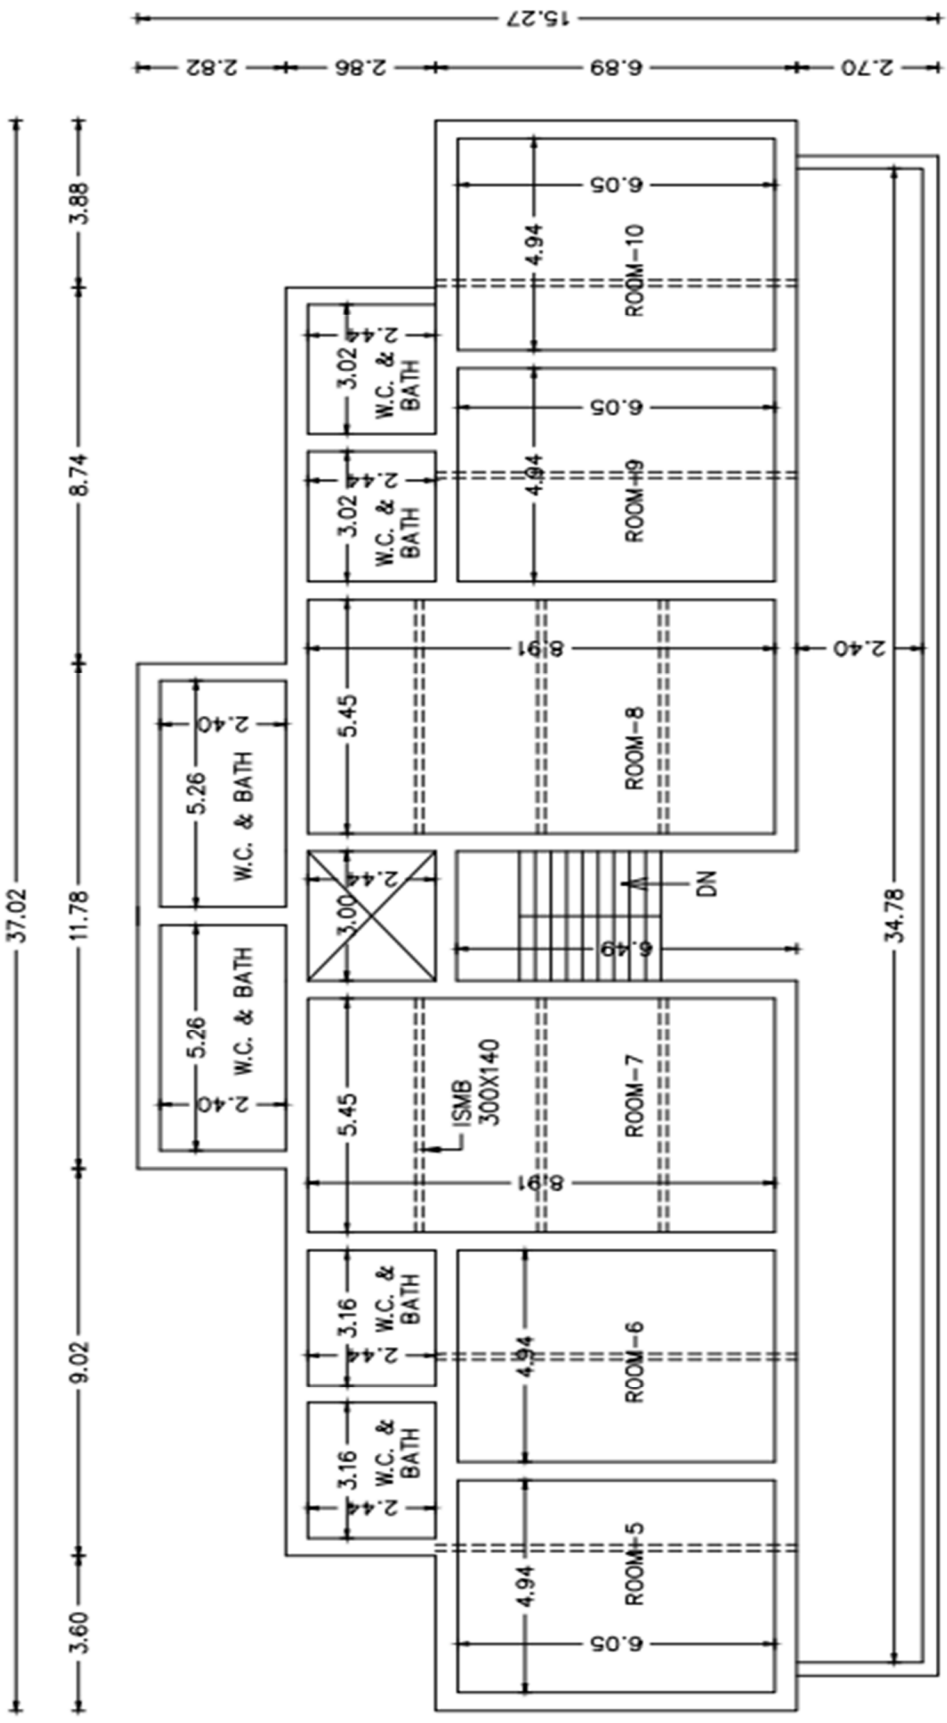

Quantities and none of the foregoing methods are applicable, rates shall be based on the norms of PWD/CPWD for labour, materials content respectively. However, in both cases local prevailing market rate for labour & material shall be adopted.

(iv) Where rates for extra item of works cannot be established by rate analysis as per the above, then rate for such item shall be estimated and fixed by the Engineer based on the market rates and assessment for labour, materials and other factors involved thereon.

GROUND FLOOR PLAN

FIRST FLOOR PLAN

Annexure - 2

STANDARD TERMS & CONDITIONS (STAC)
मानक निबंधन और शर्तें (एसटीएसी)

(1) **Integrity Pact समग्रताअनुबंध : Not applicable**

(2) **Micro & Small Enterprise (सूक्ष्मऔरछोटेउद्यम) -**

a) Purchase preference will be given to eligible Micro and Small Enterprise firms as per MSME Act on submission of valid Udyam Registration Certificate (URC) or NSIC copy along with their offer to claim the benefit. Tendered Service is to be listed in the URC or NSIC submitted else they are disqualified to avail the benefit.

b) Out of 25% target of annual procurement from MSEs, 4% (within the 25%) reservation will be provided for MSEs owned by Schedule Caste (SC) /Scheduled Tribe (ST) entrepreneurs and 3% (within the 25%) reservation will be provided for MSEs owned by women entrepreneurs. Necessary documents to be submitted along with the techno-commercial bid as evidence failing which benefit shall not be accorded. However, in the event of failure of such MSEs to participate in the tender process or meet the tender requirements and L1 price, 4% reservation for MSEs owned by SC/ST entrepreneurs and 3% reservation for MSEs owned by women entrepreneurs will be met from other MSEs.

c) Following facilities/benefits may be given to MSEs: -
(i) Exemption for payment of Tender Fee & Earnest Money Deposit.

However, this is subject to tendered criteria for the job and at discretion of GRSE.

d) (i) MSEs registered with MSME authority as stated above, quoting price within the band of L1 +15% will be allowed to supply a portion of the requirement by bringing down their price to L1 price in a situation where the L1 price is from someone other than MSE. Such MSEs will be allowed to supply at least 25% of total tendered value. To avail this purchase preference, submission of Udyam Registration Certificate /NSIC is mandatory failing which the benefit will not be accorded.

(ii) In case L1 is not an MSE and there is more than one MSE within the range of L1 +15%, only the lowest MSE shall be considered for 25% order in case of divisible item or 100% in case the order quantity is not divisible, subject to matching the L1 prices.

(iii) If the lowest MSE refuses to accept the L1 price, then the second lowest MSE within the range of L1 +15% will be considered. This process will continue till a MSE in the range accepts the L1 price or the MSEs in the L1 + 15% range are exhausted.

(iv) In case no MSE accepts the L1 price or there is no MSE available in the L1 +15% range, then the order shall be placed to the L1 bidder without applying this principle.

e) Non-Divisibility of Tender Items: - In case of non-divisible / non-splittable item in tenders, an MSE quoting in the price band of L1+15% may be awarded for full/complete supply of total tendered value, considering the spirit of policy for enhancing the government procurement from MSEs subject to matching the L1 prices by the MSE concerned. However, contract will be awarded as per GOI policy and at discretion of GRSE.

f) To qualify for entitlement as SC/ST owned MSE, the SC/ST certificate issued by the District Authority must be submitted along with the offer or the same should be indicated in the relevant document NSIC / Udyam Registration Certificate.

g) For the MSEs owned by SC/ST owned entrepreneur, the benefits as stated above shall be accorded only in the following cases:
(i) For proprietary MSE, proprietor(s) shall be SC/ST.
(ii) For partnership MSE, the SC/ST partners shall be holding at least 51% shares in the unit.
(iii) For Private Limited Companies, at least 51% share shall be held by SC/ST promoters.

(3) **Tender Fee (निविदाशुल्क): Non-Refundable**

xii. Amount of declared non-refundable tender fee is to be submitted in the form of Demand Draft / Pay Order, Payable at Kolkata and issued in favour of "Garden Reach Shipbuilders & Engineers Limited" by any Nationalized/Scheduled Bank other than Co-operative Bank. Physical DD/PO to be forwarded to Tendering Department of GRSE within 07 days of tender due date. A scanned copy of the same is to be uploaded as an attachment to the PART I of e-bid submission.

xiii. MSE registered firms having the tendered service listed in their MSE document will be eligible for exemption of tender fee. To claim the exemption, a copy of the valid MSE certificate with its annexure is to be scanned and uploaded as an attachment to the PART I of e-bid submission. The same is to be confirmed in the techno-commercial concurrence format.

xiv. Non-submission of tender fee or a valid MSE certificate may lead to offer rejection.

(4) **EARNEST MONEY DEPOSIT (INTEREST FREE) बयाना जमा (ब्याज रहित)**

i. Amount of declared interest free Earnest Money Deposit (EMD) is to be submitted in form of Demand Draft / Pay Order, Payable at Kolkata and issued in favour of "Garden Reach Shipbuilders & Engineers Limited" by any Nationalized/Scheduled Bank other than Co-operative Bank. Physical DD/PO to be forwarded to Tendering Department of GRSE within 07 days of tender due date. A scanned copy of the same is to be uploaded as an attachment to the PART I e-bid submission.

ii. EMD may also be submitted in the form of Bank Guarantee with six months validity as per enclosed GRSE format of Bank Guarantee and is to be forwarded directly to GM (Finance), GRSE in Bankers' sealed envelope failing which same will not be accepted. Details of B.G. are to be in Techno-Commercial part of offer.

iii. MSE registered firms having the tendered service listed in their MSE document will be eligible for exemption from submitting EMD.To claim the exemption a

copy of the valid MSE certificate with its annexure is to be scanned and uploaded as an attachment to the General Document part of E-PROCUREMENT. The same is to be confirmed in the PART I concurrence format. / with Technical bid (Part-I).

iv. MSE Registered Firms has to be submit Bid Security Declaration In lieu of Earnest Money Deposit as per GRSE format.

v. Non-submission of EMD /Bid Security Declaration and valid MSE certificate may lead to rejection of offer.

vi. Refund of Earnest Money Deposits

a. EMD of unsuccessful bidders will be refunded/ returned within 30 days of finalisation of order on surrendering the original copy of GRSE Money Receipt with an application by bidder addressed to HOD of Ordering Department, GRSE on receipt of intimation from GRSE.

b. EMD of disqualified bidders in TNC/CNC will be returned within 30 days from the date of receipt of application along with original copy of Money Receipt from the bidder. EMD, if not claimed within 1 year from the date of notification EMD will be forfeited.

c. EMD of successful bidder will be returned after receipt of security deposit against work order as per contractual terms.

vii. Forfeiture of Earnest Money Deposit (बयाना जमा की जब्ती)

EMD may be forfeited under the following circumstances:

a. The bidder withdraws the bid after opening of Price Bid during the period of validity of offer.

b. The bidder does not accept the correction of error in bid price as indicated in **Clause 30** hereinafter.

c. The successful bidder fails within the specifies time limit to:

   1. Acknowledge the LOA/Order
   2. Furnish the required Security Deposit
   3. Non-performance of the contract by the Contractor

(5) **SECURITY DEPOSIT (INTEREST FREE) प्रतिभूति (ब्याज रहित): -**

i. Successful bidder will deposit an amount equivalent to the declared per cent of the total contract value as interest free Security Deposit (SD) in the form of Pay Order/D. D/Bank Guarantee (with validity of sixty days beyond contract period as per GRSE format) on any schedule bank other than Co-operative bank payable at Kolkata, duly crossed favouring Garden Reach Shipbuilders & Engineers Limited., within 15 days from the date of site clearance/receipt of LOA or PO/as specified in the NIT. In case of non-submission of SD as per schedule, penal interest will be charged for delayed period of submission of SD beyond 15 days at the prevailing SBI cash credit rate on the amount of SD to be submitted.

ii. If S.D is submitted in the form of B.G then same is to be forwarded directly to Gen. Mgr. (Finance) in Banker's sealed envelope failing which same will not be accepted. Details of B. G. should also be confirmed to Ordering Department, GRSE.

iii. S.D. amount would be refunded / returned after successful execution of the job and certification of Material Reconciliation Statement by Internal Audit, if applicable. Vendor is to apply for release of their SD along with Job Completion Certificate which has to be certified by PL/Engineer-in-charge/authorized representative of concerned department through GRSE Ordering Dept. In the event of failure to execute the order satisfactorily or default by the contractor/ sub-contractor, the security deposit will be forfeited.

(6) **COMPLIANCE OF ESI & PF (ईएसआई और पीएफ़ का अनुपालन): -**

a) Compliance of ESI & PF of the engaged workman is the responsibility of the contractor.

b) For execution of job inside GRSE premises, vendor has to obtain clearance from HR Dept. regarding statutory compliance of minimum wages, PF, ESI, etc. of their engaged workmen for release of payment.

(7) **GST REGISTRATION (जी एस टी पंजीकरण):** - The vendor will have to submit copy of GST registration certificate (Part A & Part B) along with the Technical bid. Any bidder without having GST Registration Certificate will not be considered for Ordering.

(8) **GUARANTEE PERIOD (गारंटी अवधि):**

Workmanship will be guaranteed for satisfactory performance for a period ***as stated in NIT.*** Any faulty work carried out by the sub-contractor is to be rectified by them within the time stipulated by the GRSE. In case of failure of sub- contractor to meet the ship's programme, outstanding deficiencies shall be rectified by GRSE and all costs of such work shall have to be borne by the sub-contractor).

During guarantee/ warranty period if any equipment or any component thereof supplied by the contractor, suffers due to defective material and/ or due to improper design and/ or due to defective drawing or due to faulty workmanship the contractor will assume full responsibility of rectification of such defective equipment or component thereof including all direct expenses relating to removal and re-positioning of the replacement/ repaired equipment or component thereof and subsequent test & trial, incurred thereon without any financial implication to GRSE.

(9) **PRICE (मूल्य):**

A. For Tender in NIC Portal:

a) Price bid need to be filled up (excluding GST) in html format only through e-portal. No other attachment regarding price will be allowed, if so, then offer will be rejected. For break-up of prices, GRSE may attach excel sheet with the html format price bid and the bidder has to fill up their prices in excel sheet and also in html format as per instruction in NIT.

B. For Tender in GeM Portal:

a) **Price bid needs to be filled up (with GST as specified in NIT) only through GeM portal for the total job as per SOTR criteria. .**

b) The Bidder may have **to upload the breakup of their quoted price in line with BOQ/ Price breakup template (enclosed with bid document), as specified in NIT, along with their price offer in GeM portal.**

Please note, if any price indication or price attachment found with techno-commercial bid, the vendor/bidder will be rejected outright.

C. The price should remain firm & fixed till satisfactory execution of the entire contract as per NIT. GST percentage has to be indicated in the offer. GST registration certificate (with annexure-A & B) for the service being tendered is to be enclosed with the techno-commercial bid. GST registration number is to be quoted in all bills.

(10) **QUANTITY VARIATION:** Quantity as specified in the NIT/SOTR/Price Bid is tentative and it may vary according to the actual requirement of the job. The selected bidder has to execute the required quantity at the same rate, terms & conditions up to variation (+25%) or as specified in the NIT in addition to the initial tendered quantity. Necessary amendment of Purchase Orders will be issued accordingly.

This will be as per SOTR/NIT terms.

(11) **UNREASONABLE QUOTESअतर्कसंगत भाव –**

A. For Job Contract:

i) In case the price of L-1 Bidder is found to quote unreasonably low and/or express desires to withdraw from the tender then such bid will be cancelled and EMD will be forfeited and punitive action will be taken in line with the provision as per GRSE Vendor Policy.

ii) However, in case the L1 Bidder agrees to take-up the job with such unreasonable low quote, lower by 30% or more than estimate and also if the difference in price between L1 & L2 is 30% or more, then the quoted price to be analysed w.r.t tender requirement and if the L1 bidder fails to justify their quoted rate, the obtained L1 quote will be rejected and punitive action will be taken in line with the provision as per GRSE Vendor Policy.

iii) If the justification is acceptable to GRSE, then the bidder has to submit Bank Guarantee of 10% of the total Contract value (inclusive of GST) in addition to the Security Deposit (SD) and Performance Bank Guarantee (PBG) for execution of the job till satisfactory completion of entire contract. There shall be no exemption / relaxation for the Guarantee against unreasonable quote. In case of breach of contract GRSE shall reserve the right to invoke the BG and may impose tender holiday for a period as per GRSE Vendor policy.

B. For Manpower Contract:

i) The quoted price of the L1 bidder should comply with the prevailing Minimum Wages Act & Other Statutory requirements i.e PF, ESI etc.

ii) In case the quoted price of the L1 bidder is found unreasonably low i.e does not comply with the Minimum Wages Act & Other Statutory requirements and the L1 bidder fails to justify their quoted rate then the obtained L1 quote will be rejected and punitive action will be taken in line with the provision as per GRSE Vendor Policy.

(12) **JOINT VENTURE:**

The bids submitted by a joint-venture company of two or more firms/persons/entities as partners/promoters shall comply with the following requirements:

i) The Joint Venture Agreement must be a registered document under the Indian Registration Act and must be an independent and registered entity under the Companies Act/Indian Partnership Act, having its own trade name and having separate CIN, PAN, GST and other Statutory Licenses/Registrations independent of its promoters/partners.

ii) All partners/promoters of the joint venture shall be liable jointly and severally for the execution/performance of the project/contract and for all sorts of contractual obligations, responsibilities and liabilities and consequences arising out of breach of terms and conditions of contract.

iii) A Certified/True copy of the Joint Venture Agreement shall have to be submitted with the bid along with the resolution of Board of Directors (in case of a company) or a Power of Attorney to be executed by all the Partners (in case of Partnership Firm) of JV entity authorizing such person who will sign on behalf of JV entity.

iv) Submission of EMD/SDs/Performance Guarantee etc., to be made by the Joint Venture Company/Firm and similarly all payments would also be remitted to/in favour of the JV entity.

v) In order for a joint venture to qualify/meet the minimum criteria as may be specified in the Tender, the experience and financial capability of each of its promoters/ partners would be considered jointly to judge the experience and/or the financial capability of the JV entity as an independent entity. That is to say that the individual experience/qualification of each partner/promoter of the JV would be considered together for ascertaining the experience/qualification criteria of the JV. However, if any specific criteria/qualification is mentioned in the Tender that has to be met by each of the partners, then in such case each of the JV partner/promoters have to meet the same.

vi) Neither the JV entity nor any of its partners/promoters should have been blacklisted, banned or debarred from issuing any Tender or suffering Tender Holiday from participating in any Tender process of Government of India or any of its Agencies or by any State Government or by an PSU (both Central & State included) or by any Court/Tribunal. If so, then the bid is liable to be rejected.
vii) If selected, PO would be issued in favour of the JV.

(13) **CONSORTIUM:**

The bids submitted by a Consortium of two or more firms as partners shall comply with the following requirements:

i) There must be a written Agreement for formation of the Consortium amongst its members which should *inter alia* include the role of each member, the ratio of investment and the ratio of profit/loss sharing. The terms of the Agreement cannot be modified post submission of the bid and during execution of Contract, if awarded, without the express consent of GRSE. The Consortium Agreement must record that as to which member would act as the Lead Member in the Contract/Tender. This authorization shall be evidenced by submitting with the bid a Power of Attorney authorizing such member to act on its behalf as Lead Member, signed by legally authorized signatories of all other partners/members.

ii) Each partner firm/company of a Consortium must legally authorize its representative who will represent the partner firm/company to sign and execute the Consortium Agreement and all other necessary papers/documents required for the formation of Consortium and all other purpose relating to activities of Consortium.

iii) The leader shall be authorized to incur liabilities and to receive instruction for and on behalf of any and all partners/members of the consortium and the entire execution of the contract and all other related documents shall be done under the supervision and involvement of the lead member.

iv) All partners of the consortium shall be liable jointly and severally for the execution of the project or contract without any limitation of liability. Any default or lapse on the part of any of the members of the Consortium regarding performance of the contract will be treated as default on the part of the Consortium as a whole and the Lead Member alone will be responsible for all consequential losses and damages that may be sustained by GRSE for such default or lapse on the part of a member.

v) A Certified True copy of the Consortium contract/agreement entered into by and between the consortium partners and a certified True copy of the Power of Attorney, referred above, must be submitted with the bid and failure to submit any of such documents will make the bid of the Consortium liable to be rejected.

vi) If Contract is awarded to the Consortium, an Agreement would be executed by and between GRSE and all the Consortium members wherein, inter alia, the role of each member and the mode of payments to be specifically defined and/or mentioned. However, all the consortium members shall remain, jointly and severally, responsible for execution and completion of the Contract and also to make good for all losses and damages if any sustained or to be sustained by GRSE in the subject contract due to default and/or negligence of the Consortium as a whole or of any of its members. Any statement or clause seeking to limit the liability of each member of the Consortium, such statement or clause to be treated as incompatible with the principle of joint and several liability and the bid of the Consortium will be liable to be rejected as not in compliance of tender specifications, without further evaluation.

vii) In order to qualify/meet the qualification criteria, each of its partners/members or combination of partners/members must meet the minimum criteria set for the

individual bidder. Failure to comply with this requirement will result in rejection of the Consortium's bid. The data/figures of each of the partners/members of the Consortium shall be added together in proportion to their participation in the Consortium, to determine the bidder's capacity as a whole to comply with the minimum criteria.

viii) The percentage of partnership of the lead partner shall be highest among all the Consortium partners. Bid has to be submitted by the Lead Partner in its name however it should be clearly indicated that the lead partner is submitting such bid on behalf of a Consortium of which it is the Lead Partner.

ix) The lead partner shall be responsible for payment of Bid Security/EMD as well as the Security Deposit & Performance Guarantee. However, the same has to be submitted by MSME/NSIC firms also if such firm acts as a Lead partner.

x) All Payments to be made to the Lead Member pursuant to satisfactory execution of the job as specified in the Contract irrespective of the performance by all the members. Payments made to Lead partner of the Consortium would be construed as valid payment. Further the Consortium members agree not to entangle GRSE in any internal dispute between the Consortium members regarding payment/non-payment or any other issue and accordingly waives their rights, if any in this regard.

xi) None of the consortium partners/members should have been blacklisted, banned or debarred or issued any Tender holiday from participating in Government Contracts by either the Government of India or any of its Agencies or by any State Government or by an PSU (both Central & State included) or by the Courts/Tribunals. If so, then the bid is liable to be rejected.

Note: The Consortium Agreement & the PoA is to be submitted by the Consortium's Lead partner along with the Bid for examination by GRSE. If the Consortium Agreement or the PoA does not meet the criteria as specified in the clause then such bid would be liable to be rejected.

(14) **SUB-CONTRACTING OF SUB-CONTRACTED JOB (उप संविदा कार्य का उप संविदा):**

a) Sub-Contracting of the Sub-Contracted job is usually discouraged. When a contract is being finalised with a Vendor/ Contractor for execution of a particular job, the Contractor shall not sub-contract the job / a part of the job.

b) However, in case of requirement, the job in part or full could be sub-contracted with an approval from GRSE and copy of the same has to be forwarded to Ordering Dept. & HR Dept. for their information.

c) For sub-contracting of the sub-contracted job, the Vendor/Contractor has to submit the details of the sub-contractor to whom the job will be loaded including their name, credentials, document of past performance etc. for approval of GRSE Engineer In-Charge/ In-charge of User Dept./Project Leader / Project Superintendent /Head of Units.

(15) **EXCESS/WASTE/REJECTED MATERIALS (अतिरिक्त/बेकार/ अस्वीकृत सामग्री) : -**

Removal of excess/waste/rejected materials etc. generated during execution of work should be arranged by the Contractor at their own cost immediately after completion of work each day and for non-removal of same by the Contractor, the expenditure incurred by GRSE (if any) in removing these materials will be recovered from the available dues of the Contractor.

(16) **FIRE &SAFETY PRECAUTIONSअग्नि एवं संरक्षा सावधानियाँ : -** The Vendor/Contractor shall abide by the Safety regulations/rules of the GRSE as detailed in Fire & Safety Guidelines (please refer www.grse.in). The Vendor/Contractor should take all safety precautions and provide adequate supervision & control for their workmen in order to carry out the job safely. In case of any violation of safety precaution and non-usage of safety equipment, Contractor shall be liable for a penalty which is detailed in Fire and Safety Guidelines (please refer www.grse.in). Penalty amount depends on the type and frequency of violation mentioned in the safety guideline and the same will be deducted from the defaulter's bill.

(17) **SAFETY GUIDELINE FOR MATERIAL HANDLING EQUIPMENT:** The Vendor/Contractor shall abide by the Safety Guidelines /regulations of GRSE as detailed in NIT. The Vendor/Contractor should comply with all the Safety requirements like Statutory Examination and Certification of Crane & associated lifting tackles, Display of SWL, Competency requirement of Crane Operators, PUC etc. in order to carry out the job safely. In case of any violation GRSE will take appropriate action as per policy.

(18) **MANDATORY USE OF ISI MARKED PPE BY CONTRACTOR EMPLOYEES:**

The Contractor shall ensure the use of ISI marked PPE by their engaged Employees. An indicative list of ISI marked Personal Protective Equipment, is appended below for mandatory compliance by the vendors without any deviation:

LIST OF PPES

Sl. No.	Name of PPE	Standard
(a)	Safety Helmet	IS: 2925 / EN 397.
(b)	Safety Footwear	IS 15298 / EN ISO 20345
(c)	Safety Goggles	ANSI Z87.1 / EN166.
(d)	Ear Plug	IS: 9167/ EN 352
(e)	Hand Gloves	(i) IS 4770 for electrical work (ii) EN 420 for general requirement (iii) EN 388 for mechanical hazard (iv) IS:6994 / EN 407 for heat applications (gas cutting / welding).
(f)	Welding Fume Respirator & Dust mask	IS: 9473 / EN: 149
(g)	Double lanyard Safety Belt & harness, automatic fall arrestor	IS: 3521
(h)	Cotton Boiler Suit Cloth	IS: 177 - 1989 (Amended up to date), Variety 3

Note: Apart from the above-mentioned PPE, vendors may consider any other type of standardized PPE as per job requirement, in consultation with GRSE Safety Department.

(19) **ENVIRONMENT MANAGEMENT AND OCCUPATIONAL HEALTH & SAFETY(पर्यावरण प्रबंधन एवं व्यावसायिकस्वास्थ्य सुरक्षा):** - The vendor shall ensure compliance of Environment Management System (ISO14001:2014), Occupational Health & Safety (ISO 45001:2018) & Energy Management System (ISO 50001:2011) while carrying out their activity in the yard.

(20) **ENERGY CONSERVATION (ऊर्जा संरक्षण): -**

GRSE will provide power supply at free of cost for execution of job. The vendor should ensure that the power during execution of job shall be used in a very economic way to save energy as per Energy Management System of ISO 50001: 2011.

(21) **GUARANTEE FOR RAW MATERIAL:** This Clause will be applicable for Collection of Raw materials /Free Issue materials from GRSE for the jobs which are to be executed outside GRSE premises.

a) Raw materials will be required to collect from GRSE against submission of Bank Guarantee as per GRSE format for the equivalent value of material as specified in NIT/Purchase Order. Transportation of materials from GRSE to Sub-contractor's premises and transportation of finished materials from Sub-contractor's premises up to GRSE is the responsibility of the contractor or as specified in NIT.

b) Indemnity Bond affixing the Common Seal from the registered sub-contractors may be accepted in lieu of Bank Guarantee but it should be backed by Insurance Coverage with GRSE as the beneficiary on case to case basis. If the contractor is unable to take coverage, GRSE will cover such risk and cost of premium will be borne by the contractor/recovered from their dues.

c) Indemnity Bond has to be submitted as per GRSE Format on the non-judicial Stamp paper of value Rs. 100/- and to be Notarized if Common Seal is not applicable.

d) During collection of material, the Transporter of the Sub-Contractor has to submit L-R copy, failing which materials will not be issued to the Sub-Contractor.

e) For the jobs which are to be executed inside GRSE premises, submission of Bank Guarantee or Indemnity Bond for Collection Raw materials is not required.

(22) **INSURANCE (बीमा): -** In case the sub-contracted job has to be executed at contractor’s premises, the Insurance has to be taken by the contractor with appropriate value coverage for the underlying risks (the beneficiary would be GRSE by endorsement) e.g. Loss due to following:

(i) Fire as per AIFT including EQ, STFI at Contractors premises.
(ii) Burglary including theft during Storage at Contractors premises.
(iii) Marine transit to and fro as per ITC(A) including SRCC (on the basis of agreed valuation between GRSE & contractors).
(iv) Loading & unloading including TP liability at all fabricator’s premises.

(v) Loss due to infidelity of contractors whilst in storage.
(vi) Spoilage of material by contractors by any accidental reasons whatsoever.

If the contractor is unable to take coverage, GRSE will cover such risk and cost of premium will be borne by the contractor/recovered from their dues.

For the jobs which are to be executed inside GRSE premises, Insurance coverage will not be the responsibility of contractor.

(23) **SITE-INCHARGE/ LOG BOOK/ HINDRANCE & OTHER RECORDS: -**

a) One fully responsible and Qualified Site-in-charge has to be posted at the site during progress of work.
b) Attendance Register, Wage Register etc. are to be maintained daily for the particular job on board and to be shown as and when required.
c) Details of technical personnel deployed for the job.
d) Monthly progress report.
e) Log book for re-work/ modification.
f) Details of materials brought by vendor along with copies of challan.
g) Proper record of hindrances is to be maintained by the sub-contractor for the purpose of timely removal of the hindrance and is to be put up for approval by Project Leader/Site Engineer on weekly basis. A copy of the same would have to be enclosed while submitting any request for waiver of liquidated damages.
h) Sufficient Supervisory Staff should be provided by the contractor during execution of work and in case of any accident/ damage to GRSE properties, full responsibility will be attributed to the contractor and loss incurred will be recovered from the contractor.

(24) **WORKING HOURS:**

The Contractor's normal working hours shall be in between 8 AM-5:06 PM from Monday to Friday & from 8:00 AM to 1:00 PM on Saturday. 1st & 3rd Saturday is Non-Duty Saturday. Work may also be required to be carried out in shifts (A, B & G shifts) as per GRSE's requirement. Also, work may be required to be carried out on Sunday/Holiday or beyond schedule working hours as per requirement of GRSE and the Contractor will have to arrange for same as per NIT Terms.

Working hours as mentioned in SOTR terms to be taken into account for this tendered job.

(25) **INDIVIDUALITY OF THE CONTRACT**:

This Contract should be treated as an individual contract and should not be related with other orders with GRSE in respect of progress of work or payment.

(26) **SECRECY OF INFORMATION: -**

All documents and drawings of this project are of confidential in nature and should be used explicitly for the purpose for which they are provided. Drawings should not be copied and should be returned to GRSE on completion of work.
No information in respect of contracts/orders shall be released to the national or international media or any one not directly involved its execution without the express written approval of the Integrated Headquarters, MOD (NAVY). In the event of any breach of above provisions, the vendor would have to make good of any loss/ cost/ damage/ any other claim whatsoever preferred by anybody to GRSE in this respect.

Non-Disclosure Agreement (NDA) as specified in the NIT has to be submitted as per GRSE Format.

(27) **REGISTRATION OF NEW VENDOR:**

The contractor has to confirm if they are registered with GRSE and Indicate Vendor Code (5 digits) and Product Code group accordingly in their offer. If the contractor is not registered with GRSE, then documents required for provisional vendor registration has to be submitted to the Ordering Department. For Permanent Vendor Registration with GRSE, the contractor has to submit their application to GRSE Vendor Development Cell.

(28) **CONTRACT WORKMAN WAGE PAYMENT: -**

Payment of wages to the contractor's employee/workmen should be made through individual bank account on monthly basis instead of cash payment. PF-UAN activation of all the contractor's employee/workmen is mandatory.

(29) **POLICE VERIFICATION OF CONTRACT LABOURS: -** Police Verification Report of character antecedents duly verified by DIB in respect of all employees of contractors/Sub-contractors for operating in GRSE Ltd. are required to be submitted to Security Dept./GRSE Ltd. before processing of Gate Passes. Details in Appendix-'D' of Annexure-14 enclosed with NIT.

(30) **CONTRACT LABOUR (Regulation & Abolition) ACT 1970 and CONTRACT LABOUR (R & A) Rules 1971: -** All statutory obligations as per the Act/Rules, including ESI, PF, Contract Labour License etc under this Act will have to be complied with failing which deductions as applicable or termination of the contract may be affected.

The contractor will be required to submit current Contract Labour License under the Act/Rules for work as per this contract.

STATUTORY RESPONSIBILITY OF CONTRACTOR DEPLOYING THEIR WORKMEN INSIDE GRSE PREMISES - AS DETAILED IN APPENDIX-A AND APPENDIX-B of as attached with NIT document.

(31) **INSPECTION: -**

(i) Quality assurance authority: As per NIT/SOTR.

(ii) Inspection to be carried out stage wise by Quality Assurance Authority. On completion of work for any stage, vendor has to submit Inspection Offer to GRSE (Inspection Agency) for stage inspection. GRSE (Inspection Agency) shall co-ordinate with the Outside Inspection Authorities (as applicable) for carrying out inspection of completed job.

(iii) GRSE reserve the right to inspect all operations to be carried out by the contractor. Free access to the work site at all the time shall be ensured by contractor. The presence or absence of GRSE representative does not relieve contractor of the responsibility for quality control. The contractor shall provide all assistance for carrying out inspection of completed work.

(iv) Repeat inspection for any particular job is to be discouraged as far as possible. Hence the vendor should complete the job in all respect prior to submission of Inspection Offer to avoid reoffering. In case of repeat inspection happens for more than two occasions then the additional

cost implication incurred by GRSE will be deducted from the bills of the vendor at actual. Number of occasions of repeat inspection for any particular job is to be indicated by GRSE in inspection note and same is to be incorporated in the work done certificate for deduction of additional cost implication for repeat inspection. Cost of deduction shall be calculated by Executing Dept., GRSE with the help of Finance Dept., GRSE.

(32) **CORRECTION OF ERRORS:**

Bids determined to be responsive will be checked by GRSE for any arithmetic error. Errors will be corrected by GRSE as follows:

(i) For manual tendering: -

a) Where there is a discrepancy between the rates in figures and in words, the rates in words will govern.
b) Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.

(ii) For tendering through NIC Portal: -

Where there is a discrepancy between the rates in html format and the attachment to price bid (if applicable), the rates in attachment to price bid will govern. In attachment to Price bid; if any discrepancy found between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will be considered.

(iii) For tendering through GeM Portal: -

Where there is a discrepancy between the total price quoted in GeM Portal and the attachment (i.e break up of quoted price in line with BOQ) to price offer, the total price quoted in GeM portal will govern. In attachment to the Price offer, if any discrepancy found between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will be considered.

(33) **FORCE MAJEURE:**

In the event of contractor being unable to fulfil the obligation under the agreement owing to force majeure, such as War, Fire, Earthquake, Flood, Strike/ Lockout at GRSE premises where the contractor is working, the party affected shall not be held responsible for any failure or non-performance of the duties and obligations under the agreement, provided that all responsible efforts have been made to overcome the consequences of such failure, or non-performance. The time for performances of the contractual obligation shall then be extended by period not more than the duration of such events.

In the event of Force Majeure condition existing at contractor's site in GRSE Premises or CPT areas for GRSE work, GRSE is to be intimated with details of such happenings and cessations thereof, within 3 days. Force Majeure is to be limited to contractor's site in GRSE/CPT premises for GRSE's work only. Lock out/ Closure of contractor's factory premises or office or any other place outside GRSE/CPT/GRSE nominated place as indicated above cannot be considered as a Force Majeure condition under this contract.

(34) **TERMINATION OF CONTRACT:** In the event of non-performance or non-engagement of manpower for the execution of the job within the notice period, GRSE reserves the right to cancel the order in part or in full, and no compensation whatsoever will be entertained.

(35) **DAMAGE OF MATERIALS / EQUIPMENTS:** The contractor will ensure that no damage is caused to the materials, equipment or any other property of GRSE due to negligence and / or any reason whatsoever by the contractor's personnel. The cost of such damage will be suitably recovered from contractor's bills.

(36) **OFFICE & STORAGE SPACE:** The contractor will have to arrange their office & storage required for execution of job, for cumulative order value of Rs.75 lakhs and above, of their own. However, space for placing up to one container will be provided free of cost by GRSE. Container will have to be removed by the contractor within 03 months from the date of final settlement with GRSE. In case of non-removal of container within specified period penalty as deemed fit will be imposed for the occupied area of GRSE.

(37) **ARBITRATION (मध्यस्थता): -**

i. If at any time, before during or after the contract period, any unsettled claim, question, dispute or difference arises between the parties, upon or in relation to or in connection with or in any way touching or concerning this order, the same shall be settled/adjudicated through Arbitration to be conducted by a Sole Arbitrator, to be appointed by the parties on mutual consent, in accordance with the provisions of the Arbitration and Conciliation Act, 1996.

ii. In the event the parties fail to mutually appoint a Sole Arbitrator within 30 days from the receipt of a request by one party from the other, then either of the parties may approach the Hon'ble High Court at Calcutta under the provisions of the Arbitration and Conciliation Act, 1996 for appointment of a Sole Arbitrator by the Hon'ble Court.

iii. Such arbitration shall, in all respects, be conducted in accordance with the provisions of the Arbitration and Conciliation Act, 1996 and the rules framed there under or any statutory modification or re-enactment thereof for the time being in force.

iv. The Award of the Sole Arbitrator shall be final, conclusive and binding upon the Parties.

v. In the event of the death or resignation or incapacity or whatsoever of the said Sole Arbitrator if appointed by the parties mutually the said parties may again appoint a suitable Substitute Arbitrator in place of the erstwhile Sole Arbitrator to continue with the proceedings. In the event of appointment of the Sole Arbitrator by the Hon'ble High court at Calcutta on death or resignation or incapacity or whatsoever of the said Sole Arbitrator, either of the parties in this behalf, may make an application to the Hon'ble High court at Calcutta for appointment of a Substitute Arbitrator and the Hon'ble Court may pass such orders as it deems fit and proper.

vi. Also, in the event an Arbitration award is set aside by a competent court the parties may appoint a Sole Arbitrator mutually or on failing to appoint a Sole

Arbitrator mutually within the statutory period then either of the parties may file an application before the Hon'ble High Court at Calcutta under the provisions of the Arbitration and Conciliation Act, 1996 for appointment of a Sole Arbitrator by the Hon'ble Court in accordance with the provisions of the Arbitration & Conciliation Act.

vii. The cost of the arbitration, fees of the arbitrator, remuneration of the stenographer and clerk, stamp paper etc. shall be shared equally by the parties, unless otherwise directed by the Sole Arbitrator. The venue of arbitration shall be at Kolkata and unless otherwise decided by the parties or by the Sole Arbitrator himself, the venue shall be the premises of Garden Reach Shipbuilders & Engineers Ltd. located at 43/46, Garden Reach Road, Kolkata 700 024.

viii. The language of the proceeding shall be in English.

(38) **JURISDICTION:** Litigation, if any, pertaining to this contract will come under the jurisdiction of High Court at Kolkata.

i) All contracts shall be deemed to have been wholly made in Kolkata and all claims there under are payable in Kolkata City and it is the distinct condition of the order that no suit or action for the purpose of enforcing any claim in respect of the order shall be instituted in any Court other than that situated in Kolkata City, West Bengal State, India.

ii) The Firm is warranted that all service rendered by them shall conform to applicable city, states & central laws, ordinances and regulations and the said Firm shall indemnify / defend / relieve GRSE harmless, from / of against loss, cost of damage, by reason or any actual or alleged violation thereof.

iii) GRSE shall not be liable under the workmen's compensation Act of 1923; in case any employee or workmen receives injury while actually serving his employer in connection with the latter's work inside the compound of GRSE Ltd.

iv) All existing applicable Laws such as ESI, PF, SERVICE, CONTRACT LABOUR, CHILD LABOUR etc. as applicable, shall be binding for the contract.

1. For any discrepancy between NIT (Notice Inviting Tender)/SOTR and STAC, NIT/SOTR statement may be taken as final.

2. Clarification required, if any, regarding Tender Document, should be got resolved by contacting competent authority of GRSE prior to submission of bid.
